ADVERTISEMENT.

UNEXPECTED circumstances have delayed the publication of this Calendar to so late a period, that the Editor is reluctantly compelled to omit several articles at first intended to be inserted.

Notwithstanding much pains were taken to obtain accuracy, yet it being the first publication of the kind attempted in this Province, many errors were unavoidable. Communications, post paid, and with the real signatures, pointing out errors or additions, will be carefully attended to in future Editions.

A list of the Officers, and the fixed days of meeting, of Charitable and other Public Societies in the Province, is respectfully solicited from the Secretaries of each, for the Calendar for 1822.
